

Soccer fun had by all

More than 80 campers from Clear Lake, Friendswood, Pearland, Pasadena and all over Houston had a whale of a time at the 22 Stars Soccer Development camp held in Friendswood. The camp was headed by former Irish Women's National coach Noel Mulhall, along with 22 Stars' Brendan Keyes. Several trainers and coaches held training venues on the soccer fields.

Jose Jasso brought his family and adoptive family with him. With their father are Gary Jasso, 10; David Medina, 6; Jacqueline Jasso, 4, and Zoe Backstrom, 4.

Players practice kicking the ball through the goal.

Kids had fun faking out the coach.
